## Tithes and Offerings

Money is collected in the offering plates at the back of the sanctuary. Another option is to send in your checks to the church office. Also, you can set up automatic giving through your bill pay feature with your bank. Thank you for your continued faithfulness to God's work here at HFC.

Masks are no longer required in the state of New Mexico. You are welcome to continue wearing a mask if you feel uncomfortable attending without one. We do, however, ask that you stay home and watch the livestream if you feel unwell. You can find the stream on our YouTube channel during our normal service times.

## Happy Anniversary

The Church of the Nazarene began work in the Philippines in 1946 and will be celebrating its 75th anniversary on 8 May 2022. The Philippines consists of about 7,641 islands that are broadly categorized under three main geographical divisions from north to south: Luzon, Visayas, and Mindanao. The country has a population of approximately 110,000 million. The official languages are Filipino and English. It is also the home of Asia-Pacific Nazarene Theological Seminary with graduates serving around the world. There are almost 30,000 members in 361 and 38 unorganized churches with 193 district licensed and 253 ordained ministers.

Praises that God continues to grow the church and a new district was established even during the pandemic. Thank God for developing local people with a heart to become missionaries in Papua New Guinea.

Pray for the Asia-Pacific Region 12-Hour Prayer Chain that will be held on April 22-23 as they pray for national, international leaders, missionaries and the mission field and institutions around the world.
