Tithes and Offerings

Money is collected in the offering plates at the back of the sanctuary. Another option is to send in your checks to the church office. Also, you can set up automatic giving through your bill pay feature with your bank. Thank you for your continued faithfulness to God's work here at HFC.

Masks are no longer required in the state of New Mexico. You are welcome to continue wearing a mask if you feel uncomfortable attending without one. We do, however, ask that you stay home and watch the livestream if you feel unwell. You can find the stream on our YouTube channel during our normal service times.

Cabo Verde - It's Amazing!

Cabo Verde is a 10-island country about 300 miles (483 kilometers) off the west coast of Africa. The official language is Portuguese. Cabo Verde is the third oldest Nazarene missions work, which started in 1901. The work in Cabo Verde is divided into two districts. The Church of the Nazarene is the largest Protestant presence in the country. Cabo Verde is a sending country, sending missionaries to serve around the world. In 2009, Cabo Verdean Eugénio Duarte was elected as the 37th General Superintendent for the Church of the Nazarene.

Pray for Cabo Verdean missionaries serving around the world, for the pastors and pastoral families in Cabo Verde, and for God to raise up new leaders and create opportunities for training.

A New NMI Council

We are looking forward to another exciting year. Not only will we continue to focus on what we can do for our missionaries and others on the mission field, but we will also bring that focus to the mission field in our city as we develop Outreach Programs closer to home. These Outreach Programs will enable all of us to be involved in sharing the love of Jesus with others. PLEASE remember the Council in your prayers as we desire to do God's will in the world.
