## Tithes and Offerings

Money is collected in the offering plates at the back of the sanctuary. Another option is to send in your checks to the church office. Also, you can set up automatic giving through your bill pay feature with your bank. Thank you for your continued faithfulness to God's work here at HFC.

Masks are no longer required in the state of New Mexico. You are welcome to continue wearing a mask if you feel uncomfortable attending without one. We do, however, ask that you stay home and watch the livestream if you feel unwell. You can find the stream on our YouTube channel during our normal service times.

## Democratic Republic of the Congo

The Church of the Nazarene began work in the Democratic Republic of the Congo (DRC) in 1990. The country straddles the equator and has a large landmass. Due to its location along the equator, the DRC experiences high precipitation and has the highest frequency of thunderstorms in the world. The second-largest rainforest is located in the DRC named Congo Rainforest. The population is approximately 92 million and the official language is French.

1) Pray that the Lord will continue to call young people into ministries in DRC and that the work of ministerial education, chiefly done through NTI (Nazarene Theological Institute), will be relevant, practical, and suited to the diverse context of Congolese.

2) Pray for the stability of the DRC; without peace in the region, nothing can be implemented in the field.

3) Pray for missionary families in the Africa Central Field, specifically the family of our Field Strategy Coordinator Reverend Mario, who shifted from his area to Congo Brazzaville.

### Thank You!

Thank you, Church Family, for your many prayers, cards, and calls during my 'strange' illness. Three days in the hospital and many tests, scans, and pricks showed me not much more than I already knew about my chronic Kidney failure. I'm still sick, but feeling better at times. Thankfully and Lovingly --- Ruth Hasenauer
